Charles River Laboratories partners with Black Professionals Scotland

Charles River Laboratories Edinburgh is pleased to announce that we have partnered with Black Professionals Scotland (BPS), an organisation that exists to empower Black Professionals and Students, as well as partner with organisations in order to support their Diversity, Equity and Inclusion (DE&I) ambitions.

Our site's Diversity, Equity & Inclusion Lead, Chris Lowrie, had this to say on the new collaboration:

"Partnering with Black Professionals Scotland is one of many steps we are taking in order to put DE&I at the heart of everything we do. Their expertise and advice will no doubt help us to recruit and retain a more diverse workforce, which can only enrich our organisation and help drive business."

As part of the collaboration, our Senior Leadership Team attended an Ethnicity Workshop led by BPS. This Workshop is tailored for organisations with predominantly white Senior Leaders who want practical insights and guidance to improve the career outcomes of Black and Ethnic Minority talent. Chris Lowrie, SLT member and DE&I Lead at Charles River Edinburgh said "The workshop was extremely interesting and thought-provoking. It's encouraging to see our partnership with BPS having an impact so immediately, and we look forward to continuing to learn and grow with them"
